Accounting Team: YEN

Let's YEN-Joy together.

The three YENS of JVC:
The following three Kanji all say YEN, however their meanings are all different. Nevertheless, they all tie into your role in the JVC:

- 1) 円 - Yen as the name of the Japanese currency; as the accounting volunteer you will be dealing with the JVC funds and budget like a professional. With this Yen- we can do anything.
- 2) 縁 - This Yen represents fate/destiny, and connection. Your interest in JVC is a destined connection waiting to happen. With this Yen, we work together as one.
- 3) 宴 - This yen brings people together to have fun parties/ gatherings. Being a member of the JVC means being together for many fun parties. With this Yen, we 'Yen-joy' every moment.
